7. 7

Treadmills for Running

If you are an athlete, such as a marathon runner, you may be wondering what to look for in a treadmill for running. Thing is, there are not that many differences to the criteria you would use for running than the criteria used for walking. That being said, there definitely are a few differences.

8. 8

Treadmills for Home Use

Many people in the 21st century are living their lives at breakneck speed, with little time or opportunity to sit back and just relax. Even worse, a growing number of people are realising that they are nowhere near as fit as they would like to be, owing to the fact that they simply do not have the opportunity to take any form of regular exercise.

9. 9

Best Compact Treadmills

The Horizon Evolve SG Compact Treadmill has gained a lot of interest lately. Let's face it people, we are all sure that the best overall workout you are going to be able to fit into your busy life when you get home is going to be a workout on the treadmill.

10. 10

13. 13

Best Inexpensive and Affordable Treadmills for Running

Treadmills are wonderful, but they can be SO expensive. Here are the best AFFORDABLE (and some down-right cheap) treadmills for running.

14. 14

Best Cheap and Inexpensive Treadmills for Running

It is a more than a sport. It is one of our earliest pleasures - as soon as we can stand on our own two feet, nothing brings more joy than to run. It is a habit that is easily grown out of, but running is great exercise that does not require expensive equipment.
